Istvan Juhasz of Fot, Hungary (August 2004)

Page 1 of 2

Istvan Juhasz

from Fot, Hungary

Years diving: 5
Occupation: Sales director
Certification: PADI master scuba diver

Location: Florida
Dive Site: Crystal River
Marine Life ID: Manatee
Camera and Settings: Olympus E-20 in Titan housing with wide-angle lens and two Sea & Sea YS-90DX strobes, ISO-80, 1/80 sec, f-2.4 strobe on TTL
Description: This mother manatee nurses her child. I used a UR/Pro filter for this shot.

[\[click to enlarge \]](#)

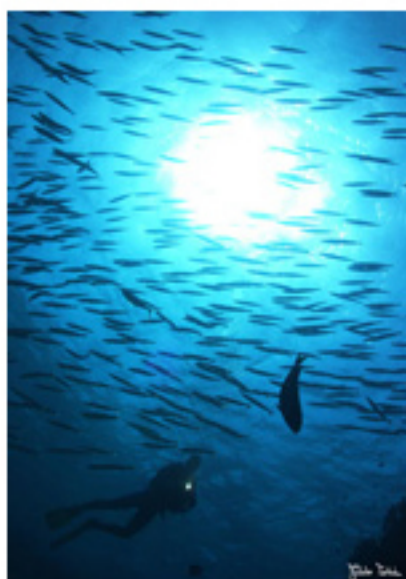

Location: Florida
Dive Site: Devil's Den
Camera and Settings: Olympus E-20 in Titan housing with wide angle lens, ISO-80, 1/60 sec, f-2.8
Description: I took this shot when we came up to the surface at Devil's Den cavern in Florida.

[\[click to enlarge \]](#)

Location: Dahab, Egypt
Dive Site: Lighthouse
Marine Life ID: Anemone partner shrimp
Camera and Settings: Olympus E-20 in Titan housing with macro lens and two Sea & Sea YS-90DX strobes, ISO-80, 1/250 sec, f-11 strobe on TTL
Description: I wanted to find this type of shrimp, and I was successful in Dahab.

[\[click to enlarge \]](#)

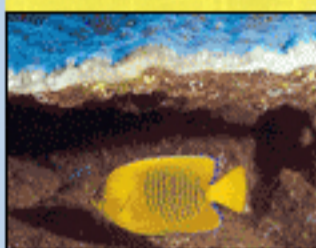

Location: Dahab, Egypt
Dive Site: Islands
Marine Life ID: Barracudas
Camera and Settings: Olympus E-20 in Titan housing with wide angle lens, ISO-80, 1/640 sec, f-5.6
Description: The divemaster told me that I should wait at this place. I was waiting for five minutes when thousands of yellowtail barracudas appeared, driven by him. I went below them and was able take this photo.
